

ILT - BIOSECURITY ADVISORY STAND DOWN

United Counties of Leeds and Grenville

January 17, 2019

On behalf of Ontario's four feather boards, the Feather Board Command Centre is announcing that the ILT Biosecurity Advisory, that was issued on Dec. 14, 2018 in respect to the United Counties of Leeds and Grenville, has now been lifted.

Normal biosecurity levels can now be restored.

Thank you for your successful efforts to protect the health of your flocks and those of your clients and neighbours during this incident.

If you have any concerns regarding the health status of a flock, contact your veterinarian and Board immediately.
